THE FURY of FREE WILL

HERO

Fane admires Paula, strategist for house Uran, because she is widely known throughout the kingdom of Ryeic for her unwavering willingness to seek a peaceful cessation to conflict.

(Of course whether or not Paula is as she's known has yet to be seen.)

BLOOD

CONSCIENCE

Fane loves Ruxana, daughter of King Uran. Theirs is a secret love nurtured over the course of many diplomatic missions to Uran. It cannot last save for a passion unhindered by family feud.
