

Hero's Banner

THE FURY of FREE WILL

<p>HERO</p> <p>Razvan idolizes King Yinosh, the very man his people conquered. He sees Yinosh as a man who truly stood up for what he believed in, and defended his people even as the walls of Kropin were crumbling. Yinosh should not have been forced to suffer the dishonor of complete exile and extermination.</p>
<p>BLOOD</p> <p>The power of any nation rests with its people. In Razvan's mind, and in that of his father, the Ryeic invasion is beyond annoying. To quell the uprising, Razvan must make an example of the people of Nahrie. Under the thumb of a strong ruler the people will give up the fight.</p>
